

## **Scenic Drive Guidance and Important Information**

These routes have been created to celebrate the 75th anniversary of the Morgan Sports Car Club and to encourage members to explore and enjoy driving their cars.

Please note the following before setting out:

### **Timing is indicative only**

Estimated journey times do not include stops for fuel, refreshments, traffic delays, roadworks, or diversions. Please allow additional time, especially during busy periods.

### **Plan ahead**

We recommend checking fuel availability, opening times for cafés, pubs, and attractions, and booking where necessary.

### **Route conditions may change**

Roads, surfaces, and access can vary over time. Always follow local signage and use your own judgement where conditions differ from the route description.

### **Navigation**

Routes are provided as a guide only. We recommend using a sat nav or map alongside the provided instructions or GPX files.

### **Vehicle suitability**

Some routes may include narrow lanes, uneven surfaces, or steep gradients. Please consider the suitability for your vehicle and driving confidence.

### **Safety first**

Drive to the conditions, respect other road users, and adhere to the Highway Code at all times.

### **Stops and points of interest**

Suggested stops for fuel, sustenance, and places of interest are provided for convenience. Availability and quality cannot be guaranteed.

### **Personal responsibility**

Participation is entirely at your own risk. The MSCC cannot accept liability for any loss, damage, or inconvenience arising from the use of these routes.

### **Accuracy of information**

While every effort has been made to ensure the routes and details are accurate, information may change over time. The MSCC cannot be held responsible for any incorrect or out-of-date information.
