Morgan Historic Register Concours Regulations & Entry Form 2025

1. Announcement

2. Jurisdiction

The competition will be held under the General Regulations of Motorsport UK (incorporating the provisions of the International Sporting Code of the FIA) and these Supplementary Regulations.

3. Permits and exemptions

Motorsport UK Certificate of Exemption No: TBC

4. Eligibility

The event is open to members of The Morgan Sports Car Club (MSCC) for vehicles recorded on the Morgan Historic register. All competitors must produce a valid MSCC membership card.

All cars must be driven to the event (or cover at least 30 miles since arrival if trailered), be currently registered (no trade plates), taxed, insured and have a valid MOT (if required). These requirements will be enforced.

5. Signing on and preparation time

The Concours parking and signing on will open from 09.00 hours on 28th June 2025. Any competitor not signed on by 10.00 hours may be excluded.

Marshals will show you to your parking place where you may make final preparations. Competitors are required to comply with all instructions given on the day.

Some moving of the car may be required for judging purposes, but this will be kept to a minimum. Driving unsafely anywhere on the site may result in exclusion.

6. Event start

The judging of the competition will start at 11.00 hours. This is now Parc Fermé and all preparation must stop. Failure to comply with this instruction will lead to disqualification. **To be confirmed: When the competition starts, the soft-top/hood (where fitted) must be in the "up" position.**

7. Judging

The judges have the absolute final say and no canvassing before or after judging will be allowed. Any breach of this rule will render the competitor disqualified. Please note that when judging is in progress, the owner of the vehicle must be present, to assist with opening/closing etc.

8. Classes

There are separate classes for:

- Pride of Ownership: (1) All vehicles
- Pride of Ownership: (2) Competition vehicles
- Masterclass: (3) All vehicles
- Novice (4) Members who have not previously entered an MSCC Concours

For the Masterclass, the underside of the vehicle will also be judged in addition to the Pride of Ownership categories.

Where in any judging category the entered Morgan does not have a specific feature, i.e. bumpers, roof, hood or side-screens etc. then, at the Concours Secretary's discretion, the average marks in that category across that class, or across the whole entry (whichever is the higher) may be awarded.

Where the judging category is composite, for example, "Wheels including spare", then if there is no spare, marks will not be deducted.

9. Awards

The MHR Annual Awards will be as per the above classes.

No competitor may win more than one award.

10. Entries

The maximum entry for the competition is 30 and the minimum is 5. Should any of the above figures not be reached, the organisers have the right to amalgamate classes or cancel the competition.

Entries will be accepted on a first come, first served basis, and will be acknowledged by email only.
